September, 2020

Happy September everyone! Hard to believe that summer is on the way out and we are looking forward to the beautiful Western Colorado fall. Even with all that has happened so far this year, time is still flying. Partly due to the fact that real estate is very busy. Check out a new feature this month – we added Ouray County Sales Stats. We have been working in Ouray County a lot so we thought to share those too! Enjoy this month and have a great one!!!
